

Third Year B.Sc (Computer Science)

Sem-VI Introduction to Internet of things Assignment

Q-1 Answer the question in Detail(Home Assignment).

1. Explain Types of sensors and its usage.
2. Explain Difference between Sensors & Actuators.
3. Explain Raspberry pi board components.
4. Explain Types of Actuators.
5. Explain Concepts, purpose, Application areas of Raspberry.

Q-2 Answer the question in Detail(Class Assignment).

1. Introduce to sensor Technology with Sensors characteristics.
 2. Explain Difference between IOT & M2M.
 3. Explain IOT Physical Device
 4. Explain various Interface of Raspberry pi.
 5. How Exactly Does Machine-to-Machine (M2M) Work?
-
